The 12 Months

Read this poem to help you remember how many days are in each month. Then fill in the days below.

Thirty days hath September,
April, June, and November.
All the rest have thirty-one,
except February, it has twenty-eight we find,
unless it's leap year, then it has twenty-nine!

January has _____days.

February has _____days.

March has _____ days.

April has ____ days.

May has ____ days.

June has _____ days.

July has ____days.

August has ____ days.

September has days.

October has ____ days.

November has _____ days.

December has _____ days.

Answer the following questions using the calendar below.

- **3.** Chirstmas is on the twentyfifth day of December. Write the date.
- 4. Hanukkah begins on the ninth day of December. Write the date.

5. Choose a date in December and write it in 2 different ways.

Tell the Time! 1

Write the time underneath each clock.

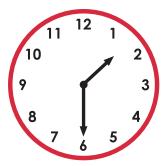

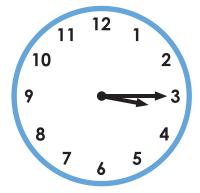

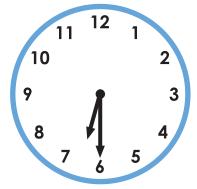

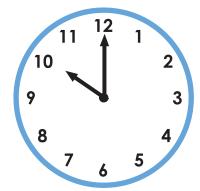

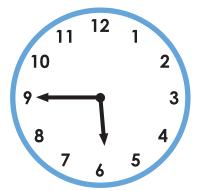

Tell the Time! 2

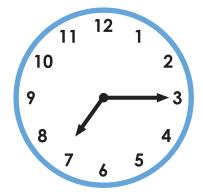

Write the time underneath each clock.

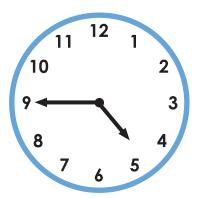

Quarter Till vs. Quarter Past

Quarter till means there are 15 minutes left until the next hour. Quarter past means it is 15 minutes past the hour.

Look at the times below and write if the time is a quarter till or a quarter past the hour.

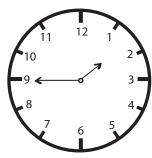

10:15

9:45

12:45

Read the conversation below and answer the question.

Michael: What time is it now? Lucy: It's a quarter to eleven.

Michael: Oh great! I still have time. Lucy: When does the show start? Michael: At a quarter past eleven.

What time is the show? Write the time in digital form.

Draw the Time

Read the sentences and draw hands on the clocks to match the time.

Steve's birthday party will start at half past three.

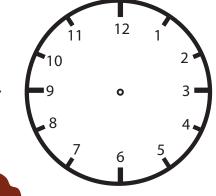

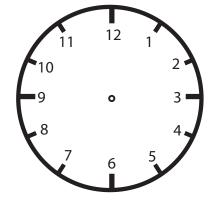

It's a quarter past ten already! You should go to bed.

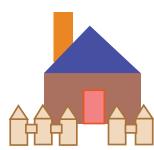

.....

The plane will arrive at quarter to noon.

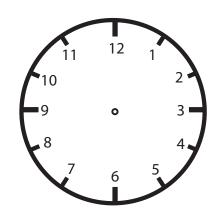

Lucy finished reading at half past five.

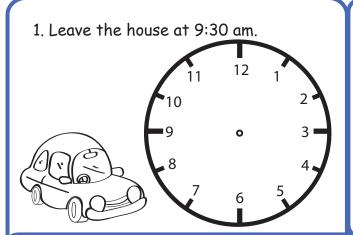

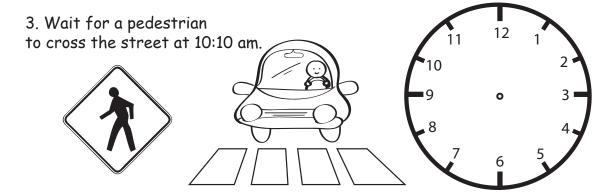

Ashley left her house at quarter to three.

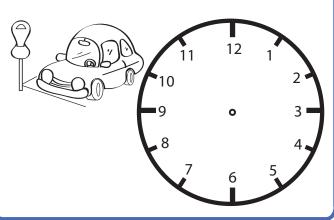

A Trip Downtown

Draw hands on each clock to show the correct time for each activity.

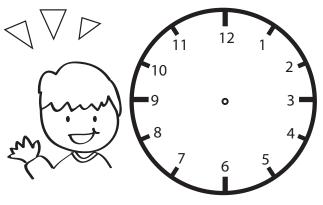

4. Arrive downtown at 10:25 am.

5. Meet your friend at 11:05 am.

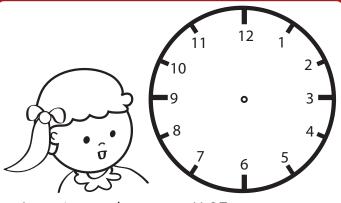

Challenge!

How long did your trip downtown take?

A Trip to the Zoo

Draw the hands of each clock to show the correct time for each activity.

1. Arrive at the zoo at 11.35 am.

2. Watch the penguin show at 11:50 am.

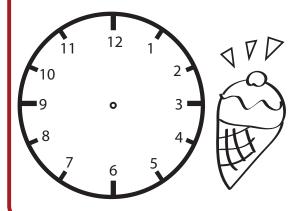

3. Visit the panda kingdom at 1.20 pm.

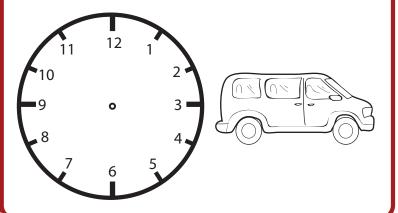

11 12 1 10 2 9 0 3 8 4 7 6 5

4. Have an ice cream at 3.45 pm.

5. Leave the zoo at 4.10 pm.

Challenge!

How much time did you spend in total

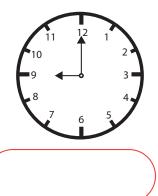

at the zoo?

Elapsed Time: Easy

Read the analog clocks and write the time in digital form. Then answer the questions.

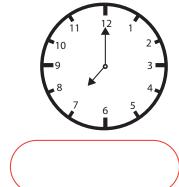

Start

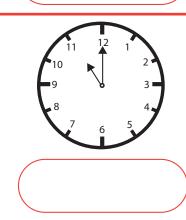

Finish

How many minutes have passed?

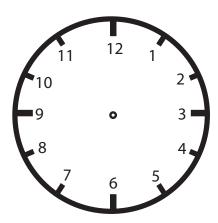

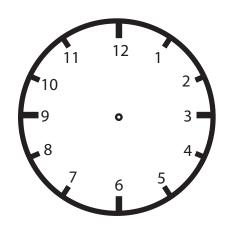

How many hours have passed?

Draw hands on the clocks to match the sentence: Judy went to the fair at 8:00pm and came home at 10:03pm.

How many hours and minutes have passed?

Can you match the time shown?

Draw a line to connect the 2 clocks that show the same time

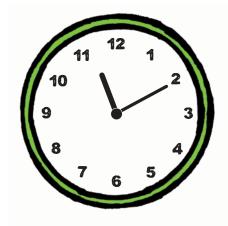

Can you tell what time it is?

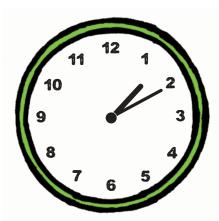

Write down the time you see on each clock.

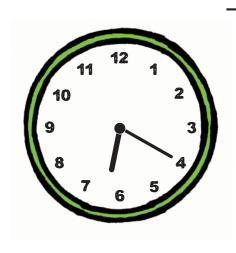

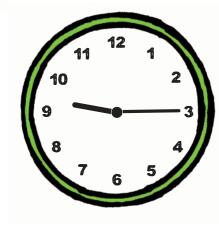

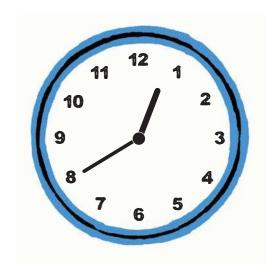

Can you tell what time it is?

Circle the correct time shown on each clock
